ORGANIC & VEGAN SPARKLING WINE

Grape Variety

100% Organic Verdejo

Elaboration

Made from selected grapes of our best organic Verdejo vineyards. Guaranteeing the reception of the grapes in the winery as fresh as possible, carrying out night harvesting.

We select the free-run juice which has not been subjected to any type of pressure and it is subsequently cleaned by static racking, obtaining the cleanest possible must.

Then, the fermentation process begins at 16°C, preserving the aromas of the Verdejo variety.

Finally, the second fermentation takes place in a pressurized stainless steel tank with controlled temperature.
